

Dear Parents:

Partnerships between parents, educators and students enhance student success. We know that students learn more and have better lives when everyone in the school community works together to share thoughts and information and work on projects to benefit students. We can accomplish this with a strong Parent-Teacher Association (PTA).

By becoming a member of the PTA, you can become an important part of helping to ensure that our plans become a reality. We also welcome your new ideas for the benefit of our students.

Please join with us to make a difference in the education, health and welfare of our students. If you would like any additional information about the Bronx Health Sciences High School PTA please feel free to contact:

**Naomi Delvalle, PTA President**  
**Naomgn@aol.com**

We look forward to having YOU as a member!
